Dear friends of Parkview Christian Academy,

We are thrilled to present to you our first ever *Parkview Christian Academy Golf Classic!* This year's event will be held at Yorkville's beautiful new White Tail Ridge Golf Course on Route 126, just west of Grove Rd. between Rt. 30 and Rt. 47. (If you are interested, their Web site is WhiteTailRidgeGolfClub.com.)

Parkview Christian Academy is committed to providing a quality Christian education to the families in Yorkville and the surrounding area. Our K-8 program is expanding for the 2009-2010 school year to include a preschool and freshman class of a unique non-traditional high school.

The money raised for this year's *Golf Classic!* will help to supplement teacher salaries, offer financial assistance to families who are going through times of financial hardship, and invest in the start-up of the new preschool and high school.

You have an opportunity to help support this event in a number of ways: come out and golf with us; advertise in the tournament program; make a cash or prize donation to the tournament; sponsor a hole; sponsor a foursome or individual golfer; or do all of them.

Help make this event the best it can be. If you have any questions, please contact the school at 630.553.5158. Thank you for your continual support of Christian education at Parkview Christian Academy!

OUR MISSION STATEMENT
Equipping Students
Serving our Community
Touching the World
...with excellence and love

THE PURPOSE of Parkview Christian Academy, in cooperation with the home and church, is to educate our students from a Biblical worldview. With the Bible as the foundation of all instruction, Parkview seeks to equip the whole child - spiritually, intellectually, emotionally, socially, and physically - in order for them to have a godly influence on their own families, their community, and the world. We at Parkview strive to instill a Christian education that inspires students to pursue excellence and to lead them to a saving faith in Jesus Christ, encouraging them to live lives of Biblical integrity and service.

Our Vision
Academic Accountability: Responsibility in education is an essential aspect of a Christian school. We encourage each child to grow, to learn, and to reach his or her potential as a student. As Christ is the source of all knowledge and wisdom, all subject matters are taught from a Biblical worldview.

Christian Community: While the foremost purpose of this academic institution is to provide an excellent education, the overriding motivation is to help the student experience the love of God the Father. It is our desire that each child see Christ, be drawn to Him, and ultimately make a decision to come to salvation by grace through faith in Him.

Enduring Values: In a time of conflicting world messages, we strive to help students to consider the impact of their actions upon the world around them and their ultimate accountability to God. Biblical standards of integrity and concern are essential to Christian education. Through the Holy Spirit, we work to strengthen Christian values in each school family.
